INTRODUCTION

Edward Hovatter and Kimberly Macaluso Hovatter (collectively the “Debtors”) are husband and wife, and the debtors in possession in this Chapter 11 bankruptcy case. On November 14, 2019, the Debtors commenced a bankruptcy case by filing a voluntary Chapter 11 petition under the United States Bankruptcy Code (“Bankruptcy Code”), 11 U.S.C. §§ 101 *et seq.* This document is the Chapter 11 plan (“Plan”) proposed by the Debtors (“Proponents”). Sent to you in the same envelope as this document is the Disclosure Statement which has been approved by the United States Bankruptcy Court for the District of New Jersey (the “Court”), and which is provided to help you understand the Plan.

This is a plan of reorganization. In other words, the Proponents seeks to accomplish payments under the Plan by the liquidation of certain of their assets including claims for recovery under state law and the Code, the sale of the Debtors’ rental property in Hammonton, New Jersey and a contribution of new value by a non-Debtor trust. The Plan contemplates current payments to certain parties, and for the payment of certain Secured Claims at the sale of the asset securing those claims, or over time. Payments to professionals, taxes and unsecured creditors are pursuant to a “waterfall” plan, where moneys generated post-confirmation are paid out in order of priority, first to Administrative claims, then to Priority claims and them ultimately General Unsecured claims. The Debtors will commit assets with a value equal to the Completion Amount, equivalent to their projected excess cash flow over expenses for a period of five years from the Effective Date. The Effective Date of the proposed Plan is the date on which the order confirming the Plan becomes final.

II.

C. Unclassified Claims

Certain types of claims are not placed into voting classes; instead they are unclassified. They are not considered impaired and they do not vote on the Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, the Proponent has not placed the following claims in a class. The treatment of these claims is provided below.

1. Administrative Expenses and Fees

Administrative expenses are claims for costs or expenses of administering the Debtors' Chapter 11 case which are allowed under Code Section 503(b). Fees payable to the Clerk of the Bankruptcy Court and the Office of the United States Trustee were also incurred during the Chapter 11 Case. The Bankruptcy Code requires that all administrative expenses be paid on the Effective Date of the Plan, unless a particular claimant agrees to a different treatment.

The following chart lists all of the Debtor's unpaid administrative fees and expenses ("Compensation"), an estimate of future professional fees and other administrative claims and fees and their treatment under the Plan:

<u>NAME</u>	<u>AMOUNT</u>	<u>TREATMENT</u>	<u>TYPE OF CLAIM</u>
Obermayer Rebmann Maxwell & Hippel LLP	\$175,000.00 (estimated)	To be paid pro rata with Miller Coffey Tate LLP from the Funding Sources described in the Plan as they become available.	Counsel to the Debtors
Miller Coffey Tate LLP	\$30,000.00 (estimated)	To be paid pro rata with Obermayer Rebmann Maxwell & Hippel LLP from the Funding Sources described in the Plan as they become available.	Accountant to the Debtors
Office of U.S. Trustee Fees	\$350.00 (estimated)	Paid in full on Effective Date	
	TOTAL: \$205,350.00		

a. Court Approval of Professional Compensation and Expenses Required:

The Bankruptcy Court must approve all professional compensation and expenses. Each professional person requesting compensation in the case pursuant to Sections 327, 328, 330, 331, 503(b) or 1103 of the Bankruptcy Code shall file an application for allowance of final compensation and reimbursement of expenses not later than ninety (90) days after the Confirmation Date. Nothing herein shall prohibit each professional person from requesting interim compensation during the course of this case pending Confirmation of this Plan. No motion or application is required to fix fees payable to the Clerk's Office or the Office of the United States Trustee, as those fees are determined by statute. Obermayer and Miller Coffey Tate LLP have agreed to be paid after the Effective Date.

2. Priority Tax Claims

Priority tax claims are certain unsecured income, employment and other taxes described by Code Section 507(a)(8). The Code requires, and thus this Plan provides, that each holder of such a 507(a)(8) priority tax claim receives the present value of such claim in deferred cash payments, over a period not exceeding six (6) years from the date of the assessment of such tax. The Debtor owes \$222,495.45 in income tax to the Internal Revenue Service for the 2017 and 2018 tax years, and \$18,118.12 to the State of New Jersey for income tax for the 2017 and 2018 tax years. Due to potential deductible losses related to the dissolution of HFSL, the Debtors may file an amended return for the prepetition periods that are in dispute, in order to lower their tax liability. The Debtors believe this liability may be lowered. The Debtors have hired Miller Coffey Tate in order to do so. The Debtors will make payments from the Funding Sources as they become available, with interest at the statutory rate (currently 7.25% for New Jersey, 4.5% for the Internal Revenue Service). To the extent these claims are reduced, available income for

distribution to creditors will increase, though there is no guaranty of reductions. Any refunds in any taxable year following the Effective Date will be first used to offset prepetition tax liabilities.
